

Director of Operations \$120K++

This is a seasoned senior level manager with over 10 years experience in IT and telecommunications.

His roles have encompassed developing and managing international teams, products and processes, and reporting methodologies. He has his BSc, strong technical skills and a reputation for delivering results, ensuring customer satisfaction, and managing teams in global locations. His references talk about his "honesty and integrity" and his "exceptional drive to completion".

He is seeking a dynamic and entrepreneurial environment with lots of scope for future growth.

Please call Catherine Wilson at 416-363- 1488 and quote reference number CW-384SM.
